## BACKGROUND AND EXPERIENCE

ANCI Piemonte is the regional section of the National Association of Italian Municipalities. ANCI Piemonte associates nearly 80% (around 950) of all the Municipalities of the Region, as well as several Union of Municipalities, the seven Provinces of the Region and the Metropolitan City of Torino.

The Association represents the rights of local authorities, promoting and supporting many initiatives. ANCI Piemonte also coordinates the activities of the associated local administrations, pursuing concurrently the general objectives of the National Association at the regional level.

The Association carries on its mission thanks to 16 thematic commissions.
